

CURRICULUM VITAE
Vince D. Cataldo, MD, FACP

Current Title: Clinical Associate Professor

Business Address: Louisiana State University Health Sciences Center – Baton Rouge
7777 Hennessy Blvd, Suite 6000
Baton Rouge, LA 70808

Business Phone and Fax: Phone: 225-757-0343
Fax: 225-757-8354

Business E-mail:

Home Address:

Home Telephone:

Birthdate and Birthplace:

Citizenship: United States

Education:

Undergraduate:	Louisiana State University Baton Rouge, Louisiana Bachelor of Science	1994-1997
Medical:	Louisiana State University Health Sciences Center New Orleans, Louisiana Doctorate of Medicine	1998-2002
Internship:	Louisiana State University Health Sciences Center New Orleans, Louisiana	2002-2003
Residency:	Louisiana State University Health Sciences Center New Orleans, Louisiana Internal Medicine	2005-2006

Chief Residency:	Louisiana State University Health Sciences Center New Orleans, Louisiana Internal Medicine	2005-2006
Clinical Fellowships:	M.D Anderson Cancer Center Houston, Texas Chief Fellow Hematology and Medical Oncology Fellowship	2006-2009
Certifications:	American Board of Internal Medicine Hematology Medical Oncology Internal Medicine	thru 2029 thru 2029 thru 2025
Medical Licensure:	State of Louisiana #LA026031 State of Texas #M3968	2003-present 2006-present

Academic, Professional, and Research Appointments:

Clinical Assistant Professor LSU School of Medicine Department of Internal Medicine Section of Hematology and Medical Oncology Baton Rouge, Louisiana	2009-present
Associate Hematology-Oncology Clinic Baton Rouge, Louisiana	2009-2012
Section Chief Baton Rouge General Medical Center Hematology and Medical Oncology Baton Rouge, Louisiana	2012-2015
Associate Our Lady of the Lake Physicians Group Baton Rouge, Louisiana	2012-present
Assistant Professor, Adjunct Tulane University School of Medicine New Orleans, Louisiana	2013-present
Section Chief Our Lady of the Lake Physicians Group Hematology and Medical Oncology Baton Rouge, Louisiana	2015-2017

Adjunct Faculty
Louisiana State University
Department of Physics and Anatomy 2018-present

Section Chief
Our Lady of the Lake Physicians Group
Hematology and Medical Oncology
Baton Rouge, Louisiana 2020-present

Memberships in Professional Societies:

- American College of Physicians- American Society of Internal Medicine
Member, Fellow 2006-present
- American Society of Clinical Oncology
Member 2009-present

Awards and Honors:

- Moses Maimonides Award for Ethics in Medicine
LSU Health Sciences Center
New Orleans, Louisiana 2002
- Alpha Omega Alpha
National Medical Honor Society 2004
- Resident of the Year
Medical Center of Louisiana
New Orleans, Louisiana 2004
- Jesse H. Jones Fellowship for Cancer Education
M.D. Anderson Cancer Center
Houston, Texas 2008
- Lyndon B. Johnson Fellow of the Year
M.D. Anderson Cancer Center
Houston, Texas 2008
- Fellow of the American College of Physicians 2014

TEACHING EXPERIENCE AND RESPONSIBILITIES

Course/Clerkship/Residency or Fellowship/CME Directorships

- Internal Medicine Residency Program 2009- present
LSU School of Medicine
Department of Internal Medicine
Section of Hematology and Oncology
Baton Rouge, Louisiana

Supervision of house officers on the hematology and medical oncology consult service at Our Lady of the Lake Regional Medical Center. Duties include direct supervision of patient care, patient-centered education, and preparation/delivery of didactic lectures.

- Medical Student Education/Hematology and Oncology 2009-present
LSU School of Medicine
Department of Medicine
Section of Hematology and Oncology
Baton Rouge, Louisiana

Supervision of third-year and fourth-year medical students on the hematology and medical oncology consult service at Our Lady of the Lake Regional Medical Center. Duties include direct supervision of patient care, patient-centered education, and preparation/delivery of didactic lectures.

Formal Course Responsibilities

Laboratory Instructor 1996
Biology
LSU
Baton Rouge, Louisiana

Teaching assistant for the Department of Biology at Louisiana State University. Duties included preparation and delivery of weekly lab lessons, oversight of the lab experiments, grading students' work, and reporting directly to the Course Director.

Laboratory Instructor 1997
Inorganic Chemistry
LSU
Baton Rouge, Louisiana

Teaching assistant for the Department of Chemistry at Louisiana State University. Duties included preparation and delivery of weekly lab lessons, oversight of the lab experiments, grading students' work, and reporting directly to the Course Director.

Coordinator of Residency Education 2007-2008
M.D. Anderson Cancer Center
Houston , Texas

Duties included preparation and delivery of hematology and oncology didactic lessons and board preparation for the internal medicine residency program of University of Texas-Houston.

Lecturer 2009-2016
Tulane Medical School
Internal Medicine Residency Program
Hematology and Oncology
Baton Rouge, Louisiana

Duties included preparation and delivery of hematology and oncology didactic lessons and board preparation for the internal medicine residency program of Tulane Medical School.

Lecturer 2009-present
LSU- School of Medicine
Medical Student Education
Baton Rouge, Louisiana

Duties include preparation and delivery of hematology and oncology didactic lessons and board preparation for the internal medicine residency program of Tulane Medical School.

Lecturer 2009-present
LSU-School of Medicine
Internal Medicine Residency Program
Hematology and Oncology
Baton Rouge, Louisiana

Duties include preparation and delivery of hematology and oncology didactic lessons and board preparation for the internal medicine residency program of Louisiana State University Health Sciences Center.

Guest Lecturer 2010-2013
M.D. Anderson Cancer Center
Hematology and Medical Oncology Board Review
Houston, Texas

Duties included preparation and delivery of board-specific training at the MD Anderson Cancer Center Board Review. Attendees included candidates for initial certification and for recertification in hematology and medical oncology subspecialties.

Guest Lecturer 2017-present
Tulane University
Department of Epidemiology
New Orleans, Louisiana

Duties include preparation and delivery of didactic education on epidemiologic concepts in malignant hematology and medical oncology. Attendees include undergraduates enrolled in course work in the Department of Epidemiology at Tulane University.

Guest Lecturer 2018-present
Louisiana State University
Department of Physics and Astronomy
Baton Rouge, Louisiana

Duties include preparation and delivery of didactic education on systemic therapy in malignant hematology and medical oncology. Attendees include undergraduates, graduate students, and post-docs enrolled in medical physics courses in the Department of Physics and Astronomy at Louisiana State University.

Departmental/Interdisciplinary Teaching Conferences

Grand Rounds Guest Lecturer 2006
“Hurricane Katrina”
Department of Internal Medicine
LSU Health Sciences Center
New Orleans, Louisiana

Preparation and delivery of weekly grand rounds of the Department of Internal Medicine at Louisiana State University Health Sciences Center.

Grand Rounds Guest Lecturer 2008
“The Current Treatment Paradigm of Chronic Myeloid Leukemia”
Department of Internal Medicine
LSU Health Sciences Center
New Orleans, Louisiana

Preparation and delivery of weekly grand rounds of the Department of Internal Medicine at Louisiana State University Health Sciences Center.

Morning Report Contributor 2009-present
LSU School of Medicine
Department of Internal Medicine
Baton Rouge, Louisiana

Regular attendance and contribution to the daily internal medicine discussions of patients admitted to Our Lady of the Lake Regional Medical Center.

Moderator 2009-present
Our Lady of the Lake Cancer Center
Multidisciplinary Tumor Conference
Mary Bird Perkins
Baton Rouge, Louisiana

Regular attendance, patient presentation, and contributor to discussion regarding the management of patients being treated at Mary Bird Perkins-Our Lady of the Lake Cancer Center.

Grand Rounds Guest Lecturer 2014
“Cancer Screening: A Review of Current Evidence, Guidelines, and Controversies”
Department of Internal Medicine
LSU School of Medicine
Baton Rouge, Louisiana

Preparation and delivery of weekly grand rounds of the Department of Internal Medicine at Louisiana State University Health Sciences Center.

Chairman 2016-2021
Our Lady of the Lake Cancer Center
Multidisciplinary Tumor Conference
Mary Bird Perkins
Baton Rouge, Louisiana

Organization of the weekly multidisciplinary tumor conference at Mary Bird Perkins-Our Lady of the Lake Cancer Center. Duties included acquisition and review of the cases as well as moderation of the case presentation and discussion.

Teaching Awards:

Resident Teaching Award 2003
LSU School of Medicine
Department of Internal Medicine
New Orleans, Louisiana

Resident Teacher of the Year 2004
LSU School of Medicine
Aesculapian Society
New Orleans, Louisiana

RESEARCH AND SCHOLARSHIP

Grants and Contracts:

Funded

1. "A Dose Frequency Optimization, Phase IIIB/IV Trial of Nivolumab 240 mg every 2 weeks vs. Nivolumab 480 mg every 4 weeks in Subjects with Advanced or Metastatic Non-Small Cell Lung Cancer who Received 4 Months of Nivolumab at 3 mg/kg or 240 mg every 2 Weeks"- BMS CA209284
Bristol-Myers Squibb
Co-Principal Investigator
March 2016-Current
2. "A Phase III Study of BBI-608 Plus Nab-Paclitaxel with Gemcitabine in Adult Patients with Metastatic Pancreatic Adenocarcinoma"- Boston Biomedical BBI 608/CanStem 111P
Sumitomo Dainippon Pharma Oncology, Inc.
Co-Principal Investigator
December 2016-Current
3. "Expanded Access to Convalescent Plasma for the Treatment of Patients with COVID-19."- NCT04338360
Mayo Clinic
Co-Principal Investigator
April 2020-September 2020
4. "Passive Immunity Trial Of the Nation for COVID-19 (PassItOnII)."- NCT04362176
Vanderbilt University Medical Center
Co-Principal Investigator
April 2020-Present
5. "Circulating DNA Exposure in Peripheral Blood Using a Novel Process: A Feasibility Study"-NCT03517332 (Awaiting Activation)
Quantgene, Inc.
Co-Principal Investigator
May 2018-Present
6. "Circulating DNA Exposure in Peripheral Blood Using a Novel Process: A Feasibility Study"-Study protocol in development
The Favre Award for Innovation in Cancer Research
Principal Investigator
\$15000
May 2020-Present

Invited Presentations and Seminars:

1. Commencement Speaker
Louisiana State University, College of Basic Sciences
Baton Rouge, Louisiana
May 2006
2. Controversies in Cancer Screening
Louisiana-Mississippi American College of Physicians Annual Conference
Mobile, Alabama
February 2013
3. Novel Approaches to Anticoagulation
Louisiana American College of Physicians Annual Conference
Baton Rouge, Louisiana
September 2014
4. Current Strategies in Immuno-Oncology

National Cancer Registrars' Association Annual Conference
New Orleans, Louisiana
May 2018

5. A Primer on Immuno-Oncology
Louisiana American College of Physicians Annual Conference
New Orleans, Louisiana
March 2019
6. The Toxicities of Cancer Immunotherapy
Louisiana American College of Physicians Annual Conference
New Orleans, Louisiana
March 2022

SERVICE ACTIVITIES

University/Institutional Service:

Departmental committees:

Specialty Education Coordinator for Hematology and Medical Oncology 2009-present
LSU School of Medicine
Department of Internal Medicine
Baton Rouge, Louisiana

Hospital committees:

Our Lady of the Lake Pharmacy and Therapeutics Committee 2013-present
Chairman
Baton Rouge, Louisiana

Franciscan Mission of Our Lady 2020-present
System-wide Pharmacy and Therapeutics Committee
Member
Baton Rouge, Louisiana

National Service:

Special assignments

American Board of Internal Medicine 2020-present
Hematology Board
Item-Writing Task Force
Philadelphia, Pennsylvania

Professional society committees

American College of Physicians Special Committee on DVT Prevention and Management Philadelphia, Pennsylvania	2014
American College of Physicians Louisiana Chapter Board of Governors Baton Rouge, Louisiana	2015-2021

Clinical Service:

In-patient service activities

Continuous staffing of the LSU Hematology and Medical Oncology Inpatient Consultation Service (Earl K. Long Hospital, Our Lady of the Lake Regional Medical Center) since July 2009. (Approximately 8-10 hours weekly, July 2009-October 2020. Approximately 18 hours weekly, November 2020-Present).

Call

Continuous Call Availability for the LSU Hematology and Medical Oncology Inpatient Consultation Service (Earl K. Long Hospital, Our Lady of the Lake Regional Medical Center) since July 2009. (Availability: 24 hours per day/7 days per week since July 2009).

Administrative Responsibilities:

LSUHSC

Louisiana State University Health Sciences Center Committee of 100 Baton Rouge, Louisiana	2010-present
---	--------------
