

Appendix 4: **Categories of Planned Interventional Radiology Procedural Experience**

Invasive Imaging And Interventional Procedures	Anticipated ESIR Resident Experience (Y/N)
Non-invasive Vascular Imaging	Y
CTA/MRA Abdomen/Pelvis	Y
CTA/MRA Extremities	Y
CTA/MRA Chest	Y
Lower Extremity Arterial Segmental Evaluation	Y
Angiography	
Carotid/Cerebral Arteriography	Y
Extremity Arteriography	Y
Mesenteric/Renal Arteriography	Y
Dialysis Graft/Fistula Evaluation	Y
Arterial Vascular Intervention	
Arterial Angioplasty	Y
Arterial Stent Placement	Y
Lower Extremity Arterial Revascularization	Y
Peripheral Thrombolysis/Thrombectomy	Y
Embolization (Any)	Y
	TACE
	Radioembolization
	UFE
Aortic Stent Graft	Y-Elective
Carotid Stent Placement	Y-Elective
Stroke Thrombolysis	Y-Elective
Venous Vascular Interventions	
TIPS	Y
Port Placement	Y
Tunneled Catheter Placement	Y
IVC Filter Placement	Y
Venous Ablation	Y
Venous Thrombolysis	Y
Hemodialysis Intervention	Y
Non-vascular Intervention	
Biopsy	Y
Chest Tube Placement	Y
Nephrostomy/Nephroureteral Tube Placement	Y
Biliary Drainage Catheter Placement	Y
Percutaneous GI Tract Tube Placement	Y
Abscess Drainage	Y

Invasive Imaging And Interventional Procedures	Anticipated ESIR Resident Experience (Y/N)
Tumor Ablation	Y
Vertebroplasty/Kyphoplasty	Y
Paracentesis/Thoracentesis	Y
Clinical Activities	Y
Inpatient Interventional Radiology Admissions by Interventional Radiology Service (to include 23-hour stay)	Y
New Outpatient Interventional Radiology Clinic Visits	Y
